Corrigendum

Tender ID - GEM/2023/B/3617401

Title - 'Eoi for Empanelment Of Agencies For Civil Engineering Design And Fabrication Of Stall For International Seafood Fairs'

Tender was invited through GeM Portal for 'Eoi for Empanelment of Agencies for Civil Engineering Design and Fabrication of Stall for International Seafood Fairs'.

Please see the clarification below on the queries raised during Pre-bid meeting held on 03.07.2023.

Query 1: Is there any mandatory value of Solvency certificate?

Clarification : *Tender document Clause 3.1.7 under ESSENTIAL DOCUMENTS FOR ELIGIBILITY*

1. Submission of solvency certificate from Bank as essential document.

Solvency certificate was sought to ensure the financial stability of the firm, as there is requirement to meet considerable amount upfront in connection with the international events.

The Bidders may submit the solvency certificate with the maximum amount which your bank can assure. No ceiling of the amount has been fixed by the Authority.

Query2: Is there any requirement of Financial Bid since it is EOI for empanelment.?

Clarification : *Requirements of submission of financial bid page no. 3 of bid document*

2. Submission of Financial Bid.

As per the format in the GeM, the bidders need to submit both financial bid and technical bid. But in this case, the tender is sought only for empanelling the agencies for Civil Engineering Design And Fabrication Of Stall. Hence the financial bid part will not be considered for empanelment criteria. The Bidders who are clearing the technical evaluation will be short listed to the empanelment list.

Therefore all the bidders are requested to quote any amount in the financial bid to fulfill the requirement of GeM format.

Query 3 : Is the requirement of experience of Fabrication of stall in Seafood Fair is must?

Clarification : *Tender document Clause 3.3*

3. Essential Eligibility Criteria

In the tender document under Essential Eligibility Criteria the point no (3) has been revised as below;

Existing Essential Eligibility Criteria	Revised Essential Eligibility Criteria
<i>"The agency must have work experience of atleast five years in civil designing and fabrication of exhibition stalls in international seafood fairs"</i>	<i>"The agency must have work experience of at least five years in civil designing an fabrication of exhibition stalls in international fairs of food / seafood"</i>
