**THE MARINE PRODUCTS EXPORT DEVELOPMENT AUTHORITY**  
**कोच्ची/KOCHI – 682 036**  
**CITIZENS' CHARTER 2025**

## **1. Preface**

The Marine Products Export Development Authority (MPEDA) was set up by an act of Parliament in the year 1972. MPEDA is given the mandate to promote the marine products industry with special reference to exports from the country. The Act empowers MPEDA to regulate exports of marine products and take all measures required for ensuring sustained, quality seafood exports from the country. MPEDA is given the authority to prescribe for itself any matters which the future might require for protecting and augmenting the seafood exports from the country. It is also empowered to carry out inspection of marine products, its raw material, fixing standards, specifications, and training as well as take all necessary steps for marketing the seafood overseas.

## **2. Our Vision & Mission**

Our vision is to provide sustainable and quality seafood to every corner of the world. Our mission is determined with the objective to promote the Indian marine products industry with reference to exports of quality seafoods from the country.

## **3. Functions**

Major functions of MPEDA includes promotion of Indian marine products in overseas markets, financial assistance for infrastructure development for better preservation and modernised processing of marine products, collection and dissemination of information on the sector, registration of infrastructural facilities for seafood export trade and promotion of export-oriented aquaculture.

## **4. Our Clients**

Clients include marine products exporters, seafood processors, aquaculture farmers and other stakeholders in marine products export sector.
