

PRELIMINARY ONLINE MEETING NOTICE

Subject: Preliminary Online Consultation with Prospective technology solution providers on Seafood Traceability Technology for EU Catch Certificate Compliance

MPEDA proposes to conduct a preliminary online meeting on 19/7/2026 at 11 AM with prospective technology solution providers to discuss the proposed project on “Seafood Traceability Technology for EU Catch Certificate Compliance.” The meeting aims to provide an overview of the project requirements, define the scope of work, and address the information gaps, from interested technology solution providers.

Date: 19 June 2026 (Friday)

Time: 11:00 AM (IST)

Mode: Online

Meeting link :
